Good evening Shantonio,

I'm sending this letter of resignation. I've had a wonderful learning and building experience with Arkansas Total Care. I've have been offered another position with more advancement opportunities. I would like to put in a two week notice as of today and would like to exhaust all of my vacation time before I leave if possible. I believe I have about 59 hours so I would probably need to take this Thursday and Friday off and all of next week. I can request it in Empcentral and indicate it on my calendar. You can also give me a call when you have time to discuss any details.
